DESCRIPTION

It began with MARINARA. The Mother sauce. Now, MARINARA the wine! Wonderwerk's MARINARA lays down a foundation of graphite, clay, and smoky spice, with one dash of amaro, the way Uncle Lou likes it. Then comes the notes of tart cherry and plum that caught the sun so perfectly, concentrating its essence. It's time to gather around this wine at the table with famiglia. MARINARA is a familiar wine occasion. There's fruit, there's earth, there's sun, but there's also a perfect levity to this wine. It all resolves with the smoothest finish. Notice that tinge of amaro on the end palate? Time for another sip.

WHY WE MADE IT

Italifornia™ wines are produced from California grapes and designed to evoke Italian feelings in classic, fashionable, and fun styles. With Marinara (red), Al Fresco (white), and Riviera (rosé), Wonderwerk has you covered for every wine occasion wherever you're sharing a bottle. A Marinara moment is a weekly occasion at a minimum, and you should really check in more often. Marinara is your go-to sipper for pizza nights, Sunday gravy at Mom's, melty mozzarella flavors, a quick macaroni in zesty red, wherever vodka sauce happens, or in the booth at the neighborhood trattoria. Draped in a nostalgic red and white checkered tablecloth and crafted to spec of the house red that always hits just right. Tuck in, the sauce is on. Leave a nice tip, give your Mom a hug from us, drink your Marinara.
